I hereby agree to comply with the provisions of the New Mexico Plant Protection Act, Chapter 76, Article 5, Sections 11 through 28, NMSA Compilation, and regulations promulgated by the Board of Regents, New Mexico State University. I understand all Plant Protection Licenses **expire on September 30, each year**, and that Section 76-5-26 of the Plant Protection Act requires the payment of a **double fee** for any license or permit not renewed prior to its expiration. Renewals postmarked **October 1** or later are considered late and **double fee** will apply.

*** **CANCEL LICENSE: If you no longer require a Plant Protection License, please check the box, sign, and return to NMDA to avoid receiving further notices.**

INFORMATION FOR APPLICANTS

A separate license is required for each location which sells or distributes nursery or floral stock within New Mexico.

Nursery Dealer License (ND) includes:

Nursery Dealer – any person who buys and resells nursery stock or who handles nursery stock on a consignment basis, when the stock was not grown on their premises.

Florist Dealer – any person who buys and resells floral stock, when the stock was not grown on their premises.

Landscaper – any person who buys and resells, in connection with their design services, plants used in landscaping.

Agent – any person selling or taking orders for nursery or floral stock to be shipped directly to the consumer.

Nursery Inspection Certificate (IC) is required if any nursery or floral stock is grown on the applicant's premises.

Collected Plants Permit (CP) is required by any person collecting and selling plants grown in the wild.

Special Dealer License (SD) is available to any person who buys and resells *only* cacti or vegetable plants not grown on applicant's premises.

Special Vegetable Plant Inspection Certificate (SVPI) is available to anyone who sells *only* vegetable plants grown on applicant's premises.
