

Each commercial feed, which includes pet food and specialty pet food, shall be registered before being distributed into or within the State of New Mexico. New Mexico registers individual products versus licensing companies. All registrations are valid from the day of approval till December 31 of the same year. Any incomplete application will delay the registration process, please read all directions before applying for registration.

Application for Registration of Commercial Feed:

- **Company Information:** Enter the complete information of the company the products are being registered for (labeling company). **Contact Type:** Enter if contact is responsible for compliance, registration, tonnage, corporate or other.
 - **Registrant Information:** This information is required only if application is being submitted by someone other than the manufacturer, company will appear as a C/O on all reports.
 - **Tonnage Information:** (if applicable) Enter where tonnage reports are to be sent if different than company information.
 - **Brand Information:** Enter product name and description, list available sizes (see example below).
- Note- products listed on any other form will not accepted.
