STATE OF NEW MEXICO PUBLIC HEALTH EMERGENCY ORDER

For the most recent public health order and most recent executive order, go to

<https://cv.nmhealth.org/public-health-orders-and-executive-orders/>.

At this time, the state is operating on the Red to Green Framework:

The county-by-county framework will permit counties – and the businesses and nonprofit entities within their borders – to operate under less restrictive public health measures when health metrics demonstrating the extent of the virus’ spread and test positivity within those counties are met.

For the most recent county status in the Red to Green Framework, go to

<https://cv.nmhealth.org/public-health-orders-and-executive-orders/red-to-green/>.

Essential businesses shall comply with the pertinent “COVID-Safe Practices (CSPs)” section(s) of the “All Together New Mexico: COVID-Safe Practices for Individuals and Employers” and any identified occupancy restrictions. *Below is a list of the agriculture-related “essential businesses” per the public health order:*

- Grocery stores, supermarkets, food banks, farmers’ markets and vendors who sell food, convenience stores, and other businesses that generate the majority of their revenue from the sale of canned food, dry goods, fresh fruits and vegetables, pet food, animal feed or supplies, fresh meats, fish, poultry and any other consumable household products;
- Farms, ranches, and other food cultivation, processing, or packaging operations;
- Manufacturing operations involved in food processing, manufacturing agents, chemicals, fertilizer, pharmaceuticals, sanitary products, household paper products, microelectronics/semi-conductor, primary metals manufacturers, electrical equipment, appliance, and component manufacturers, and transportation equipment manufacturers;
- Services necessary to maintain the safety and sanitation of residences or essential businesses including security services, towing services, custodial services, plumbers, electricians and other skilled trades;
- Veterinary and livestock services, animal shelters and facilities providing pet adoption, daycare, or boarding services;
- Utilities, including their contractors, suppliers, and supportive operations, engaged in power generation, fuel supply and transmission, water and wastewater supply;
- Banks, credit unions, insurance providers, payroll services, brokerage services and investment management firms;
- Logistics and other businesses that store, transport, or deliver groceries, food, materials, goods or services directly to residences, retailers, government institutions or essential businesses.

Please refer to the most recent public health order at the link above to read the order in its entirety.

VACCINE INFORMATION

Registration for the COVID-19 vaccine is fast and simple and may be completed online at vaccinenm.org.

Food and agriculture workers are included in the state's 1B Phase of vaccination allocation, which is high priority. A combination of factors collected through the registration website, such as age, occupation, health status, etc. will allow the State of New Mexico to determine when a vaccine will be available for you. The vaccination is free, but the form will ask for insurance information to help support the cost of the vaccination program. Those without insurance will be vaccinated free of charge. Upon registration, the New Mexico Department of Health (NMDOH) will send you a notification when the vaccine is available to you, and you'll be able to schedule your vaccination at a provider near you. On the day of your appointment, you will fill out a medical questionnaire about your current health. More information about the vaccine and New Mexico's distribution process is available at <https://cv.nmhealth.org/covid-vaccine/> or by calling the NMDOH COVID-19 hotline at 1-855-600-3453. For general vaccine-related questions, select option "0." If registration assistance is needed, select "0" then "4."

Vaccine Information for Employers:

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/toolkits/essential-workers.html>

The Centers for Disease Control and Prevention has provided a toolkit to help employers educate their essential workers about this important new prevention tool.

STATE OF NEW MEXICO COVID-SAFE PRACTICES

View or download the most recent industry-specific COVID-Safe Practices document for employers at: <https://cv.nmhealth.org/covid-safe-practices/>

NM SAFE CERTIFIED

Businesses may get certified at <https://nmsafecertified.org/get-certified/>

NM Safe Certified provides businesses free on-demand virtual COVID-Safe Practices trainings to help ensure all New Mexicans remain safe as the state reopens for business and recreation. NM Safe Certified provides a recognizable brand across all industries to assist in building consumer confidence.

PUBLIC HEALTH

Center for Disease Control and Prevention: <https://www.cdc.gov/coronavirus/2019-ncov/cdcresponse/about-COVID-19.html>

New Mexico Department of Health COVID-19: <https://cv.nmhealth.org/>

Just like with many other illnesses, the best way to protect yourself from COVID-19 is to avoid exposure to the virus that causes COVID-19. This requires taking steps to protect yourself and to protect others:

- Clean your hands often and avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your coughs and sneezes.
- Stay home except for essential purposes and/or to seek healthcare.
- Stay home if you are sick and avoid close contact with other people who are sick.
- Practice social distancing by putting at least 6 feet of distance between yourself and other people.
- Wear a mask or cloth face covering. In New Mexico, everyone is required to wear a face covering when in public except when drinking, eating, or under medical instruction. New Mexico now requires all persons to wear a mask while exercising whether indoor or outdoor. Masks and cloth face coverings may prevent people who do not know they have the virus from transmitting it to others.

Wearing a mask is a sign of respect for other people and demonstrates your desire not to be a source of infection for them, just as you would like for them to be looking out to protect you.

- Clean and disinfect frequently touched surfaces.

NEW MEXICO STATE UNIVERSITY COOPERATIVE EXTENSION SERVICE

Locate your county extension office: <https://aces.nmsu.edu/county/>

Visit the Extension website for more resources: <https://extension.nmsu.edu/>

- Preparing for the unexpected. Have enough supplies on hand for 14-day quarantine. Among the items to stock up on are:
 - Dry goods such as rice, pasta, beans, oats and ready-to-eat cereals.
 - Canned foods that contain liquid, such as tomatoes, beans and tuna. The excess liquid can be used to cook the dried goods, if necessary.
 - Canned fruits.
 - Canned meats.
 - Comfort foods such as chocolate, coffee, ice cream and other foods that bring you pleasure. These foods can help with positive mental health and morale during a home quarantine.
 - Pet food.
 - Household hygienic products such as hand soap, dishwashing liquid, laundry soap, hand sanitizer (made with at least 60 percent alcohol), toilet paper, paper towels, tissues, feminine care products and diapers.
 - Prescription medications (if possible, get a 30-day supply).
 - Other medical supplies like contact lenses and solution, hearing aid batteries, and over-the-counter medications such as pain relievers and cough and cold medicines.
 - Entertainment items such as books, board games, card games, puzzles and movies.
- Please contact your county Extension office for any distance learning offered.

BUSINESSES/EMPLOYERS

New Mexico Economic Development Department: <https://gonm.biz/about-us/covid-19-response/>

 - District Office Phone: 505-248-8225
 - Phone: 1-800-659-2955 (TTY/TDD: 1-800-877-8339)
 - Email: disastercustomerservice@sba.gov

EMPLOYEES

New Mexico Workforce Solutions: www.jobs.state.nm.us

Apply for unemployment benefits anytime online or Monday–Friday, 7 a.m. to 5 p.m.

Toll Free: 1-877-664-6984

- Governor Michelle Lujan Grisham has declared a state public health emergency as a result of COVID-19. Certain workers may be eligible for Unemployment Insurance (UI) benefits.

PRODUCE SAFETY

U.S. Food & Drug Administration: <https://www.fda.gov/food/food-safety-during-emergencies/food-safety-and-coronavirus-disease-2019-covid-19>

Center for Disease Control and Prevention (CDC): <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/food-and-COVID-19.html>

- Per the CDC, currently there is no evidence to suggest that handling food or consuming food is associated with COVID-19.

NEW MEXICO DEPARTMENT OF AGRICULTURE

www.nmda.nmsu.edu, nmagsec@nmda.nmsu.edu or 575-646-3007

- The Las Cruces NMDA main building is closed per New Mexico State University policy; however, our staff remains committed and is available as needed for necessary business operations including, but not limited to, licensing, regulation, sampling on a complaint basis and functions related to our metrology lab, chemistry lab, petroleum lab and seed lab. If you have urgent business with NMDA, please contact us at the number or email above.
- NMDA's Albuquerque District Office and the Peanut Grading Station in Portales are closed to the public, however, necessary services at those facilities will continue. The public should call or email during this time:
 - Albuquerque District Office: 505-361-2840 or jconlogue@nmda.nmsu.edu
 - Peanut Grading Station: 575-356-8393 or kberry@nmda.nmsu.edu

VETERINARY DIAGNOSTICS SERVICES (NMDA)

www.nmda.nmsu.edu, ddvds@nmda.nmsu.edu or 505-383-9299

- Veterinary Diagnostic Services in Albuquerque will continue to operate Monday to Friday 7:30 a.m. to 4:30 p.m.
- Our team assures you that the NMDA Veterinary Diagnostic Services Lab will maintain normal diagnostic operations for the foreseeable future.
- We limited visitor traffic in the building, however, this will not affect your ability to drop off diagnostic samples.
- Obviously, this is a dynamic situation and things could change, but for now we will continue to provide the best possible diagnostic services to our clients.

NEW MEXICO LIVESTOCK BOARD

<https://www.nmlbonline.com/> or 505-841-6161

- Due to the governor declaring a State of New Mexico Public Health Emergency, the office of the New Mexico Livestock Board is taking proactive measures. All in-person services and transactions at the Albuquerque office are suspended indefinitely. Exceptions to this closure can be made with an appointment by calling the office Monday through Friday between 8 a.m. and 4:30 p.m. The following services can be performed on the New Mexico Livestock Board website:
 - Review updates on animal health.
 - Entry permit information and requirements.
 - Brand renewals.
 - Brand searches.
 - Print brand applications and submit by mail.
 - Print brand transfer forms and submit by mail.
 - Find statutes and rules related to livestock in New Mexico.

NEW MEXICO BEEF COUNCIL

<https://www.nmbeef.com/>

- Dina Chacon-Reitzel: office 505-841-9407, cell 505-263-0909, DinaReitzel@nmbeef.com, nmbeef@nmbeef.com

The New Mexico Beef Council office is open; however, the doors are locked. Please call one of the phone numbers listed above if you need to reach someone at the beef council.
